Manual testing - Test service forms for:

1. check success messages are displaying across add/edit/delete forms
2. check error messages are displaying across add/change forms
3. check that forms are not being allowed to be submitted with empty fields in add/change forms
4. check that first letter of service capitalizes upon submitting forms

Note: tests should be performed in order ie. 1. Add services, 2. Edit services, 3. Delete services
